

LA Intergroup - Delegate Report by Ron G - 8-14-11

SLAA Los Angeles Intergroup

Annual Business Meeting Delegate report by Ron G

Thank you all for letting me be one of your delegates to the SLAA Annual Business Meeting, July 12-15, 2011, in San Diego.

I was elected Chair of the Conference Literature Committee and Chair of the Conference Service Committee. I am also Chair of the Writing Group liaison Subcommittee of the Literature Committee. All interested members of SLAA are welcome to visit our monthly telemeetings and join in much like you might join in the first time you go to a local face-to-face meeting. There are no time in program or sobriety requirements. In fact we welcome and encourage newcomers and strugglers to participate to help improve the usefulness and reader friendliness of the new literature that is being drafted by more and more volunteers on more and more Writing Groups. Again there are no time in program or sobriety requirements to help draft new literature or serve on any Conference Committees. Service is a tool of recovery. Service begins at the beginning of recovery..

The Writing Group liaisons Subcommittee meets the first Saturday of the month at 9 am Pacific time. The call in number is 712-432-1600. Follow the prompt with access code 1019723#. There may be a toll charge like any other long distance call from a regular land line or if you do not have a cell phone with free weekend minutes or 24/7 flat rate calling on the land line. There is no other charge for the telemeeting.

You may also call any time to listen to recordings of these meetings. To listen to the recordings call 712-432-1281 and follow the prompt with the same access code which is 1019723#. Then follow the next prompt for a reference number with - # for the most recent recording - #2 for the first meeting in October 2010 - #3 for January 2011 - #4 for April - #5 for May - and so on.

For the numbers of other meetings contact Ron G at 323-467-3868, Ron777ggg@gmail.com or Skype name - rontalks1, or use the SLAA FWS website [Google "SLAA"] and send an email to the Conference Committee asking for the number.

Watch for more reports on specific topics during the following months.

Please feel free to contact Ron with questions, comments, and suggestions.

Respectfully in service,

Ron G
