I'm happy to report that we have uploaded 13 new audio files! Enjoy!

We always need more. Please record yourself at home and send it in to audio@slaalosangeles.org or ask your meeting at the business meeting to start offering the speaker the option to record themselves and then the meeting can send it in.

Audio Library Committee

The LA Intergroup's Audio Library is available at slaalosangeles.org/audio and is filled with excellent speaker MP3s that you can listen to while traveling, away from Zoom or internet connection, etc. There are many places in the world that don't have meetings, so providing speaker mp3s is very important. Also many other fellowships have mp3s in circulation, but SLAA does not, which is why LA Intergroup created this library.

As ALC Chair, I would like to get as many new speaker mp3s as possible! How can you help?

Ask your meeting at its Business Meeting to offer the speaker the option of recording themselves for the Audio Library. Then record it on your phone and email it to us. Or record yourself at home or wherever speaking for 10 or 20 minutes or more or less and email it to us.

You'll be helping addicts around the world, so please consider doing this!
