

THE BULLET POINTS:

The **free pizza at Intergroup** was incredible this past month!

Join us **next month in person for more free pizza**, plus you can **pick up literature in person for your meeting, get copies of the Bottom Lines for your meeting, make contributions to the Treasurer and get reimbursements in person, buy chips for your meeting, learn about what's happening in Los Angeles SLAA, and have FUN!**

There are rumors there may be a motion on the agenda next month to have pizza EVERY TIME!

Next month we'll be electing the following positions:

Sponsorship Committee Conduit

Literature Committee Conduit

Translation Committee Conduit

These are low lift positions that don't have a sobriety requirement, and theoretically only last until December- Great starter way to stay sober in this program through service!

This month we:

Created a Spanish Language Liaison Commitment - Elected Julie to that position This is a commitment held by a bilingual person to help monolingual Spanish-speaking members find meetings and literature, and to help those folks interface with LA Intergroup etc. The email is not fully set up yet, but it will be spanish@slaalosangeles.org and will be up and running within about a week. You can cc secretary@slaalosangeles.org in the meantime to make sure you are directed to the right place.

Elected Kristen S to the Virtual Meeting Registrar Commitment through December

The 50th Anniversary Edition of the SLAA Basic Text is looking for NEW STORIES for the back of the book, particularly stories from diverse backgrounds.

Stories about: Anorexia, sex and the internet, fantasy, etc. Stories from a variety of gender identity, religion, ethnicity, age, etc. The deadline is Dec 15 2022. To find out more about how to submit your share, email secretary@slaalosangeles.org for details on how to submit, and/or look on the website for the [flyer](#).

Consider recording your own share on your phone and sending it in to us! Or having your meeting offer the speaker the option to **record their share**. Just record the speaker on your phone and send the mp3 to audio@slaalosangeles.org and secretary@slaalosangeles.org . Your meeting can vote at your business meeting to give the option to record your speaker. Contact audio@slaalosangeles.org to get a nifty release your speakers can sign. **Every other program has speaker mp3s except us, why not us? LA Intergroup has a new library of speaker shares available at slaalosangeles.org/audio and we need more.** You can also simply record your share at home and send it in!

Annual Business Meeting of SLAA as a whole is coming up August 9th-11th in Sacramento! Once a year, delegates from SLAA intergroups around the world meet together to vote on major issues in SLAA as a whole. Los Angeles sends four delegates to represent our interests. **[RECORDING OF THE ABM DELEGATE TOWN HALL](#)** -The first item of business begins at time code **05:40**. Meeting members attended our ABM Delegate Town Hall on Sun Jun 26 to make their voices heard on these issues:

- Should the SLAA Basic Text be free to download from the FWS website as a PDF?
- Should the Anorexia 50 Questions be added as one of the SLAA 9 Core Documents?
- Should suggested "light edits" to the basic text be approved?
- Should the way SLAA makes new literature be changed?
- What protocols should we follow when putting SLAA shares and content on YouTube, and who should do that?

Want more materials and background on these topics? Want to know what else is on the Annual Business Meeting agenda? Or read some of the literature that's being voted on this year at the ABM? email secretary@slaalosangeles.org or click this link to read everything:
