Announcement

We are now going through intergroup elections. We welcome nominations for the role of Treasurer. I could answer questions you may have. My commitment ends this December. It is a 2 year term for those with 1 year sobriety. The role description can be found in the intergroup manual. This includes showing up at the intergroup meeting on 2nd Sundays by 3:15pm to collect cash donations from fellows and pay room rent.

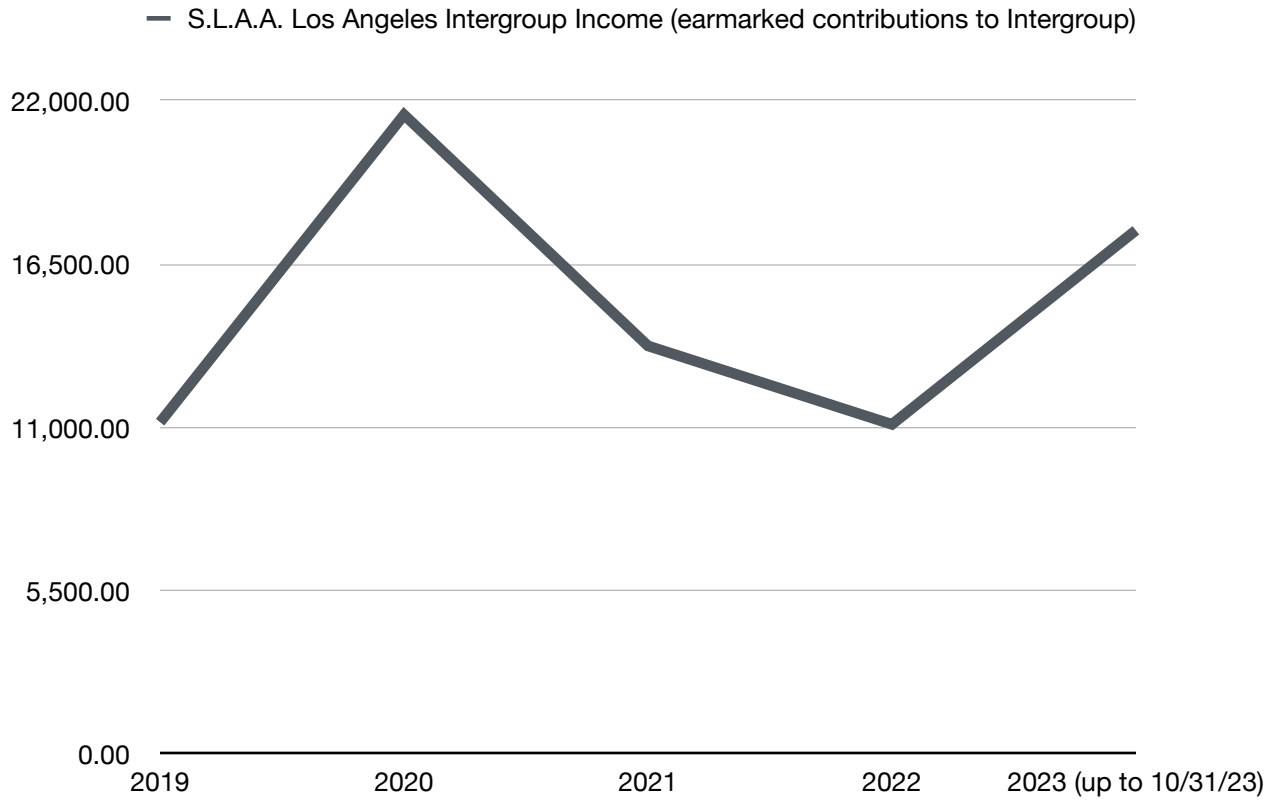

We paid \$163.30 to FWS, as a donation from our groups, on November 6th.

Note, \$2,817.02 of intergroup contributions came in during October 2023. Thank you. In September 2023, the intergroup deficit was eliminated and it continues to be that way today as we now have positive \$4,000.

The total treasury net income 2023 is \$23,560. A majority of that amount is from the L.A. Retreat (not officially sponsored by intergroup), which is \$21,800. To view the Treasury Report Detail for the entire year so far on all income and expenses, please go to <https://www.slaalosangeles.org/treasurer-reports>. This webpage can be found by going to our website, click on the "Intergroup/FWS" tab, then move your mouse down to "Treasurer Reports." Please feel free to share this with your group meetings.

We appreciate contribution efforts towards the Los Angeles Intergroup. Your support allow us to operate with expenses, which include purchase new literature, pay the rent, cover the website cost, maintain the phone line, fund workshops or other events, and make donations to S.L.A.A. Fellowship-Wide Services.

Treasurer's note:

I welcome ideas for an intergroup fundraiser drive.

One idea is a match-giving program based on an anonymous donor's participation with the groups and individuals.

Contact Treasurer and CFO to discuss, especially if a S.L.A.A. fellow would like to make the match-giving program happen.
