January 2023

Hospitals and Institutions
SLAA Los Angeles

Issue #1

From the Chair
MaxB - January 2023

Wow… It is a new year and a new H&I. As a Fellowship SLAA has been active in working with institutions in helping those in recovery discover the powerful solutions in the fellowship of SLAA. As the 2023 H&I Committee Chair, I hope to be able to help our H&I presence in the recovery community grow. Over the last few years, we have not had the access to the jails and recovery community due to the pandemic.
We need to rededicate ourselves to our mission of the 12 Step. "Having had a spiritual awakening as the result of these steps, we tried to carry this message to sex and love addicts and to practice these principles in all areas of our lives."

Our Logo is a lifesaving ring. In my personal journey it has been just that. If as a fellowship, we throw the lifesaving ring to those in recovery our message may save lives.

What are the symptoms? What are the solutions? What are the harmful labels? Can you find them in the above picture?

Are you ready to "Carry the Massage"

Our Mission: As a Committee, our purpose is to carry the message to sex and love addicts who are unable to attend regular meetings due to ongoing treatment or incarceration, with the hopes and prayers that recovery can make a difference in their lives. The committee is currently looking for panel leaders and volunteer speakers. Donations to the H&I Committee enable us to provide free literature to these groups.

Who is qualified to be of service to the H&I Committee?
There is no qualification to serve on the H&I Committee. To be on H&I panels and lead inhouse meetings some institutions may require background checks or time in recovery or sobriety to participate.
As a committee we will find opportunities for all fellows to carry the message.

If you are asking, how can I be of Service?
All are Welcome – All you need to do is reach out.
