We currently have 24 fellows that are active or have showed interest in being of service to the H&I Committee, at the meeting this month we had no one show up. I did receive reports from our Panels.

- ★ The Tarzana H&I panels (1st and 3rd Wednesday nights of each month) average 30 attendees per panel, so about 60 people per month who are residents at that treatment center.
- ★ The Seeking Integrity H&I panel happens once a month (third Saturday night) and is only for the current residents at that treatment center, which is 6-8 men at any given time.
- ★ Glenn S is currently working on getting another panel started at an additional rehab.

As the chair I attended the FWS CPIC zoom meeting this month. Although it was a small meeting, We talked about a few pressing issues. One being the future of the Ownership of the YouTube Channel.

Activities this month include:

- ★ Tarzana Panels (Glenn S. orangeilucky@aol.com 323-474-7400)
- ★ The Seeking Integrity Panels (David H. literature@slaalosangeles.org)
- ★ Thanksgiving Day Marathon and Potluck - Thursday, November 30, 2023, 10:00AM to 8:00PM, Share Center Culver City. There will be SLAA and other Fellowships meetings and panels throughout the day and evening.
