FWS Board of Trustees: "After speaking with my service sponsor, we agree my presence is not essential to the Los Angeles Intergroup meeting, as the Intergroup has delegates to keep the IG abreast of updates and developments. I was selfishly wanting to stay connected with all of you because of my long history as a member of LAIG, but now that I have other things on my plate, the best way I can be of service to the Fellowship as a whole is to stop attending that monthly meeting and divert my focus/attention to my Board Committees."

'Keeping It Simple'

Steps 1, 2 & 3

Hosted On-line via ZOOM

Saturday, March 20th, from 1:00 to 4:00 PM (PST)

*FREE to Attend, Workshop opens @ 12:45pm and starts promptly @ 1:00pm (PST)

Many of us have found it difficult and complicated dealing with an addiction that touches most areas of our lives. Plus, most of us face the problems of powerlessness and surrender on a daily basis. That's why many members return over and over again to the first three Steps.

This workshop is meant to be an introduction to, or refresher course on, Steps 1, 2 & 3. Meant for old-timers and newcomers alike, it will focus on powerlessness, unmanageability, the restoration of sanity, and the problems of acceptance and surrender. It will feature speakers as well as small group sharing.
