Motion Review from March 2022 Intergroup:

1) Allocate \$2,160 seed money from Intergroup Treasury to direct hire 1 year's worth of ASL interpreting services (2-person team) for the Thursday 6pm Silver Lake meeting.

Note: This is \$180 for 2 interpreters on 1.5 hour assignment at once a month for 12 months. This gives leeway for the Silver Lake meeting 12 months to raise its own \$2,160 and be self-supporting out of its own future ASL Access basket.

Note: If the deaf/Deaf/hard of hearing fellow does not show up during the first 30 minutes of the meeting, then the meeting still pays the full rate. All of our sobrieties are invaluable, whether or not if having a hearing loss.

FOLLOW UP on this motion 1 year later:

There is \$270.00 available as of 2/12/23. After the 2nd Thursday of this March, there would be \$90 balance leftover.

The Thursday 6pm Silver Lake meeting officers know to reach out for this \$90 at their next direct hire for ASL interpreting services.

Each group is autonomous on making their decisions for how to donate their 7th tradition to the different funds.

Generally, it is the 60/40 split with 60% to local intergroup and 40% to FWS, <a href="https://slaafws.org/kb/general/meetings/supporting-slaa-the-60-40-way/">https://slaafws.org/kb/general/meetings/supporting-slaa-the-60-40-way/</a>.

The SLAA Los Angeles treasury has four different funds. They are Intergroup, FWS, Hospital & Institutions(H&I) and the American Sign Language(ASL) Access Funds. <a href="https://www.slaalosangeles.org/donate">https://www.slaalosangeles.org/donate</a>

I see groups donating to either one, two, three or all four funds.

Several groups do the 25% 4-way split. Some do 50/50 split. Or 60/20/20 split. Again, each group is autonomous in making their own protocol and decisions on how to donate and if split then they determine the percentage amount for splitage that works for them.
