Each group is autonomous on making their decisions for how to donate their 7th tradition to the different funds.

Generally, it is the 60/40 split with 60% to local intergroup and 40% to FWS, <https://slaafws.org/kb/general/meetings/supporting-slaa-the-60-40-way/>.

The SLAA Los Angeles treasury has four different funds. They are Intergroup, FWS, Hospital & Institutions(H&I) and the American Sign Language(ASL) Access Funds. <https://www.slaalosangeles.org/donate>

I see groups donating to either one, two, three or all four funds.

Several groups do the 25% 4-way split. Some do 50/50 split. Or 60/20/20 split. Again, each group is autonomous in making their own protocol and decisions on how to donate and if split then they determine the percentage amount for splitage that works for them.
