Each group is autonomous on making their decisions for how to donate their 7th
tradition to the different funds.

Generally, it is the 60/40 split with 60% to local intergroup and 40% to FWS,

The SLAA Los Angeles treasury has four different funds. They are Intergroup, FWS,
Hospital & Institutions(H&I) and the American Sign Language(ASL) Access Funds.

I see groups donating to either one, two, three or all four funds. Several groups
do the 25% 4-way split. Some do 50/50 split. Or 60/20/20 split. Again, each
group is autonomous in making their own protocol and decisions on how to
donate and if split then they determine the percentage amount for splitage that
works for them.
