

## THE BULLET POINTS:

### **-ABM Delegate Town Hall on Sunday June 26th 3-430pm!!**

Once a year, delegates from SLAA intergroups around the world meet together to vote on major issues in SLAA as a whole. Los Angeles sends four delegates to represent our interests at this Annual Business Meeting which will take place this August. If you want to make sure the LA Delegates know how you feel about the issues at hand, and are truly speaking on your behalf.. Come to this meeting! Make

your voice heard! Delegates will lead discussions about the following topics:

- Should the SLAA Basic Text be free to download from the FWS website as a PDF?
- Should the Anorexia 50 Questions be added as one of the SLAA 9 Core Documents?
- Should suggested "light edits" to the basic text be approved?
- Should the way SLAA makes new literature be changed?

-What protocols should we follow when putting SLAA shares and content on Youtube, and who should do that?

These topics and more will be addressed at the town hall, plus an OPEN FORUM section where you can ask about and discuss ANYTHING mentioned on the ABM agenda!
