Presents

# Higher-Powered

**“A Closer Look at the Eleventh Step”**

***The Eleventh Step asks us to maintain a conscious contact with a ‘Higher Power’ to help free us of our own will and open us up to other possibilities. But it’s easy to return to making demands on ourselves, God, and others for what we want. Learning to be still, to meditate and/or pray, is rewarding but easy to avoid. Join us as we explore the Eleventh Step and ways to stay open and vulnerable to the source of peace, sanity, gratitude, and authentic self-love. And to discover the energy and willingness to stay on the spiritual path.***
